

Packard Bell EasyNote LM

The perfect entertainer

- A true cinematic experience
- Matt wave-pattern cover with glossy interior
- Packard Bell Social Networks key
- Convenient control keys

The **Packard Bell EasyNote LM series** is the perfect all-rounder notebook, specifically designed for home entertainment enthusiasts, who are passionate about films, and who love sharing DVDs with friends and relatives.

Its 17.3-inch LCD display enables the greatest cinematic experience. Take the theatre on-the-go for the best high-definition movies, music and games anywhere, with a fabulous balance of mobility and smart functionalities.

With VISION Technology from AMD, and featuring processor options like the new AMD Phenom™ Quad-Core N900 series¹, the **Packard Bell EasyNote LM** notebooks offer superior HD image quality with amazing details, clarity, and colours while watching movies from the DVD or Blu-ray Disc™ drive² on a 16:9 Diamond View widescreen display. Last but not least, the HDMI™ port easily connects your **Packard Bell EasyNote LM** notebook to your living room HD TV set for a true movie experience!

And with VISION Technology and power-optimized processor technology, the **Packard Bell EasyNote LM** notebooks get more battery life so that you can watch up to two hour DVDs or two ninety minute Blu-ray movies on a single battery charge and offer fast wireless so you can stay connected to your digital world, surf, shop, chat, play and explore everything the Web has to offer.

All **Packard Bell EasyNote LM** notebooks featuring VISION Technology come with the amazing graphics cards from ATI® for an immersive HD entertainment experience³. To enjoy your holiday pictures and more, the **Packard Bell EasyNote LM** notebooks are equipped with a multiple card reader, huge storage capacity -up to 640 GB- and the full version of Adobe® Photoshop® Elements 8.

Add the elegance in design and extreme ease of use and you will have a notebook with the unmistakable Packard Bell look and feel that lets you express who you really are.

¹ EasyNote LM series features AMD Phenom™ II Quad-Core N930, AMD Phenom™ II Triple-Core N830, AMD Turion™ II Dual-Core P520, AMD Turion™ II Dual-Core P320 and AMD V Series Single-Core V120.

² Blu-ray drive is optional.

³ The EasyNote LM series features ATI® Mobility Radeon™ HD 5470 with 512 MB memory or ATI® Mobility Radeon™ HD 5650 with 1GB memory. Some configurations come with ATI Mobility Radeon™ HD4250M graphics.

Available in four alluring colours, the **Packard Bell EasyNote LM series** combines a matt wave-pattern cover with a glossy interior for a unique appeal. With an eye for details, the palmrest boasts the same design as the cover. Cashmere Red adapts to sporty and energetic personalities, Silk Silver or NightSky Black matches your chic and distinctive look, while Starlight White gives you a touch of essential and pure style.

Complete social networking at one key

Packard Bell EasyNote LM notebooks let you enter your preferred social network with a click thanks to the innovative **Packard Bell Social Networks** application.

Press the **Packard Bell Social Networks key** on your notebook and a stylized, easy-to-use sidebar on the right side of your screen will appear. Facebook, YouTube™ and Flickr are all there ready for you to post comments, play games, update your profiles, view or share photos and videos, and manage your entire online social life more easily than ever before.

A built-in webcam and microphone gear you up for high-resolution face-to-face chats with friends and family, wherever you are.

Convenient control keys

The **Packard Bell EasyNote LM series** is designed for easy style and friendly usage. The easy typing fine-tip keyboard with numeric keypad and the multi-gesture touchpad give the maximum intuitive and friendly experience.

The **enhanced control keys let you play, stop, go to previous or next track when playing your favourite songs or videos**. The multi-gesture touchpad makes your navigation simple, quick and efficient: manipulate pictures and artwork easily, instinctively zoom in and out, browse photos, websites and documents just with two fingers!

The **Packard Bell EasyNote LM series** featuring the new AMD processors, will be available in European outlets on May 12th with an estimated street price starting at 599€.

Availability, software offer and technical features may vary according to countries.

About Packard Bell

Packard Bell pioneered the use of the PC in the home, taking an office tool and turning it into a friendly, indispensable feature of today's modern home. Stylish products with cool features, accessible to everyone, are the hallmarks of the brand - a unique combination that no other brand in the European market offers today. In 2008, Taiwan-based Acer Inc. acquired Packard Bell. In 2009, the Acer Group fully benefited from its multi-brand strategy, establishing itself as the second-largest PC company in the world and as the number two worldwide notebook vendor. Within the Acer Group, Packard Bell strives to design environmentally friendly products and establish a green supply chain through collaboration with suppliers.
